Century-old library cards retiring at post library

get a souvenir during
Library Week: April 19 - 25

Chamberlin Library on the former Fort Ord will "retire" its old-fashioned card catalog, which has been replaced by a computerized version, during National Library Week, the 19th through 25th of April.

Starting April 19, community members are invited to take cards from the old card catalog as a souvenir of a technology that served libraries for over one hundred years. Perhaps you'd like to save the cards identifying books by your favorite author or the section about the language you're studying — now's your chance.

You're invited to be a part of history

On Thursday, April 23, at 4 p.m.
you're invited to join library staff and volunteers
for a final farewell and refreshments
to the card catalog.

For additional information,
call the Chamberlin Library at 242-7680.

Army "Values" Poster Contest Held Locally

Soldiers: Create a "Values Poster" for the upcoming local Values Poster Contest. The U.S. Army's recently reworked its values and has now adopted a new list of seven values (seven total):

LOYALTY: Bear true faith and allegiance to the U.S. Constitution, the Army, your unit, and other soldiers.

DUTY: Fulfill your obligations.

RESPECT: Treat people as they should be treated.

SELFLESS-SERVICE: Put the welfare of the nation, the Army, and your subordinates before your own.

HONOR: Live up to all the Army values.

INTEGRITY: Do what's right, legally and morally.

PERSONAL COURAGE: Face fear, danger, or adversity (Physical or Moral).

The local contest, sponsored by 229th Military Battalion, is open to all soldiers. Submit your poster to the Battalion S-3 shop by the April 27 deadline. Any media (suggested size: 24" x 36"). The poster can portray one single value but encourage portraying all seven. Judging will take place soon afterwards. The winning poster will then be copied and issued out to the companies. For more information, call S-3 Cpt. Scott Thorlin at 242- 5208.

EEO Recruitment: Program Manager Needed

1998 Earth Day Message: From the Army Chief of Staff

The 1998 Army Earth Day theme is "One Mission, One Environment, One Future: Preserve the Balance." This theme reminds us that the Army's mission to defend our nation and environmental stewardship work hand-in-hand. This Earth Day, April 22nd, is an ideal time to recommit ourselves to do our part to preserve the environment.

Protecting America's environment is a daily responsibility for the Army. We are now seeing how our years of environmental awareness have contributed to readiness — through pollution prevention initiatives for safer work areas and dollar savings, recycling programs to reduce waste and preserve resources, and conservation to sustain our training and recreational areas.

I am pleased to report that many Army installations have received awards from organizations such as the Environmental Protection Agency, the Department of Energy, state and local governments, and the highly regarded Nature Conservancy.

We have dedicated significant resources to the environment and it is evident those efforts are paying off. It should be particularly gratifying for us to see our neighbors, other Federal agencies, and influential private sector environmental organizations beginning to take notice of our environmental stewardship.

I challenge every leader and soldier to factor consideration for the environment into everything you do. Let's all use Earth Day this year not only to celebrate our success in this area, but to also rededicate ourselves to looking for innovative ways to continue these important programs.

Gen. Dennis J. Reimer
U.S. Army Chief of Staff

Support Your local AER Campaign

**Annual Campaign for 1998
runs through May 2**

POM - Army Emergency Relief or AER was established in 1942 to help soldiers and their families overcome times of distress and misfortune. This year marks the 56th Anniversary of AER assistance to Army personnel around the world. In 1997, AER provided \$94,318 to 172 soldiers, retirees, and their families in the Presidio of Monterey community. Of this amount, \$12,695 was given in the form of grants. Nowhere else is this kind of generous assistance available to help Army families in times of need. Each unit has its own AER representative who can provide the necessary campaign fund raising forms. The key personnel are:

"I Remember Mama" Delivering Plants to Seniors on Mother's Day May 10

MONTEREY - As we celebrate Mother's Day what better way to appreciate our families than to visit someone who is without their families or friends on this

day. Not only will you be giving to our community through service, but you can teach our children, through example, the importance of volunteerism.

This year's "I Remember Mama" project is again welcoming volunteers to deliver flowering plants on Mother's Day to local senior women living in long-term care facilities (i.e. nursing homes and board and care homes).

Children are especially welcomed and encouraged. Imagine living in a nursing home and having a smiling family take time out of their Mother's Day celebration in order to deliver you a plant. The seniors are truly thankful for the volunteers who make their Mother's Day memorable. Many of these seniors have no family members who can visit on a regular basis.

Three ways to volunteer or assist:

1.) To Volunteer: call by Friday, May 8, to OMBUDSMAN "OmBUDDIES" Project Coordinator Mary Ellen Okelberry in Monterey at (408) 333-1300, or call the Salinas OMBUDSMAN branch at (408) 758-4011. Your gift of time will bring an everlasting joy.

2.) To Donate: If you can't volunteer, but would like to help, donations for the purchasing of plants may be made payable to: OMBUDSMAN. Send to OMBUDSMAN/OmBUDDIES, 2200 Garden Road, Monterey, CA 93940.

3.) Know a Senior: If you know of a senior living in a long-term care facility and would like her to receive a plant, give OMBUDSMAN a call at (408) 333-1300. Federally mandated nation wide, nonprofit advocate programs, such as Monterey's OMBUDSMAN for Long-Term Care, are in place to investigate alleged abuses of seniors. Monterey's ombudsman serves 2,500 seniors who live locally in long-term care facilities.

Military Appreciation Barbecue: DLI volunteers invited May 15

Respond by May 12

MONTEREY - The YMCA of the Monterey Peninsula is sponsoring a Military Appreciation Barbecue to thank the men and women of DLI who volunteered their time to help the YMCA in the following events: the AT&T National Pro-Am, SCRAM, The Concourse de Elegance and the many YMCA sports and children's programs we sponsor.

The event will include an evening of FREE barbecue food, soft drinks and entertainment (to include the Contra Dancers - English country line dancing - and a live band in the gymnasium).

RSVP: Respond by Mar. 12 so the cooks can plan on how much food will be needed for the barbecue.

Location: YMCA, 600 Camino El Estero, Monterey (across from Lake El Estero).

Call 373-4167: ask for Jean-Marie at the Monterey YMCA. (Note: call by Tuesday, May 12 with the number of people who plan).

Motorcycle Poker Run All motorcyclists welcome May 16

MONTEREY - Ride a motorcycle? Want to ride with others, meet local riders while gaining motorcycle education and safety skills?

2nd Annual AUSA Softball Tournament May 26-29

POM - It's that time again!! The Second Annual Association of the United States Army Stilwell Chapter Softball Tournament is scheduled for May 26-29. The games will be played on the ball fields on Soldier Field this year between 5 and 7:30 p.m.

We are looking for 16 teams for the single elimination tournament. Last year we had twelve teams participate in the tournament with Headquarters and Headquarters Detachment winning with the first place trophy, the Marine Corps Detachment finished second and Charlie Company third. The tournament this year is open to military and civilian teams on the installation. Rosters are limited to 15 players. The entry fee is \$50 per team, which will go toward tournament tee-shirts for all players in the tournament. Trophies will go to the top three teams again this year. Checks should be made out to the AUSA Stilwell Chapter. To register for the tournament, contact JO1 Scoop Hansen (Public Affairs Office) at 242-5104 or Dwight Johnson (Internal Review) at 242-6957.

*Here's a tip for
positive parenting:*

Sibling Rivalry

Parents, a lot of brother-sister fighting happens because children just want some personal attention from you. Spending some time each day, maybe even just 10 minutes alone with each child, can greatly reduce the amount of fighting in your home. You see, if your children can count on having some time alone with you each day they will compete less with each other to get your attention. For other parenting tips call ACS, Family Advocacy Program at 242-7653.

Work, Self-Esteem and Me

A women's group dealing with issues such as adjusting to military life, moving from place to place and from job to job. Learn how to build a better quality of life for yourself and your loved ones in an atmosphere of support and understanding. This is the place to make friends, share information and encouragement with others like yourself, caught in a life transition. Make your life better and learn how to be happy. Meet weekly on Wednesdays from 1 to 2:30 p.m. Sign up at Army Community Service (General Stilwell Community Center, Building 4260), POM Annex, or phone Anita Rothard at 242-7907 to reserve your place. You will be glad you did.

Active Parenting on Tuesdays

Active Parenting classes are held on Tuesday mornings, from 9 to 11 a.m., at the General Stilwell Community Center, POM Annex. Free child care is provided. Interested parents can register by calling ACS.

Mom Time on Wednesdays

Do you ever feel that being a mother is a lonely job? You're not the only one! Why not join Mom Time and get together with other parents while your children play. Finding time to meet with other mothers is one of the best things you can do for yourself and your child. MomTime is open to all moms of children from birth to three years of age. The group meets on Wednesdays, from 10 to 11 a.m. at the General Stilwell Community Center.

Continuing education -- key to your career and future

Visit the POM Education Center,
located in Building 273, Presidio of Monterey
242-5325 or 242-5866

Website of the Month

Peterson's - The Education and Career Center, located at www.petersons.com, contains many options on its home page. For example select "Distance Learning" and then click on "Search our Database of Distance Learning Programs." From there one could pick "Bachelor's" and then "Computer Science" and go to Florida State University for more in-depth information. Check out this site. You may enjoy the surfing.

The Law School Council begins its new testing year in June. The POM Education Center has received a few 1998-99 LSAT Registration Information Books which list dates and new fees for the upcoming testing year. The fee for overseas foreign non-public LSAT test centers is now \$255 in addition to the LSAT fee of \$86. Candidates who can take the LSAT in CONUS should contact their nearest civilian National LSAT Test Center (Monterey College of Law). The Law School Admissions Council can also be

contacted on line at <http://www.isac.org> or E-mail at ISACINFO@ISAC.ORG.

National Institute for Paralegal Arts (NIPAS)

NIPAS has trained paralegals for three decades through distance education. It has now expanded its course offerings to include a concentration in Legal Nurse Consulting. This concentration will include such courses as *Introduction to Legal Nurse Consulting*, *Tort Law*, and *Principles and Concepts in Legal Nurse Consulting*. Additional courses will also be offered on-line by Internet by this summer. NIPAS is listed on page 65 of the 1998 edition of the 1998 edition of the DANTES *Catalog of Nationally Accredited Distance Learning Programs*

Changes in Independent/Distance Learning Education

According to a leading authority, there has been more change in the last two years than in the previous 20 for learning that does not take place in a class-

room or in what scientists call "real time. Asynchronous learning formats through the internet are making independent study easier and more user friendly for all students. Harvard, Duke, Stanford and other first rank universities are offering such courses. Distance learning is finally earning the respectability it deserves and would have been unbelievable three years ago.

Heads-up for MPC Summer Schedules

Monterey Peninsula College Summer schedules should be distributed by mid-April. If you desperately need a natural science with lab course in order to meet the A.A. Foreign Language Degree requirements, start calling the POM Education Center #5325, on a weekly basis to see if they have arrived yet. It is expected that the weekend Lab course will fill up even more quickly than it has in the past.

Earthquake Awareness Month

When a quake strikes

If an earthquake strikes, "Duck, Cover, and Hold" may save your life. For information on how to improve your personal safety during an earthquake, call your Monterey County Office of Emergency Services at 755-5158.

Duck

Remain calm. Duck or drop down to the floor.

Cover

Take COVER under a sturdy desk, table or other furniture. If that is not possible, seek COVER against an interior wall and COVER your head and neck with your arms.

Hold

Avoid danger spots near windows, hanging objects, mirrors, or tall furniture, HOLD on to it and be prepared to move with it. HOLD the position until the ground stops shaking and it is safe to move.

After the Shaking Stops

Stay Calm. Expect after shocks, power outages and telephone disruptions. Check for injuries. Apply first aid. Do not move the seriously injured unless they face immediate danger. Only call 911 to report major injuries, but anticipate delays.

Check gas, water and electrical lines for leaks and damage. If necessary, turn off utilities at the source.

Check building for damage, including chimneys, foundations and walls. Stay away from dangerous areas.

Listen to your portable radio for instructions and news. If directed to evacuate to an emergency shelter, remember medications, glasses, blankets and personal hygiene items. (And, if appropriate, dentures, canes, walkers, etc.)

Be ready to ride it out. Call your local Office of Emergency Services for information on creating a family emergency plan and preparing a survival kit.

Your survival kit should include:

- First Aid Kit
- Drinking water (at least one gallon per person per day)
- Extra water for cooking and hygiene.
- Emergency water sources are water heaters, ice cubes and untreated toilet tanks (not bowls)
- Call or packaged food
- Flashlight, portable radio and extra batteries
- Cash (ATM machines may not be working)
- Manual can opener
- Pet supplies

California's rock 'n' roll history here to stay

Monday, April 6, 1998 -- This is it! You're feeling the earth move under your feet in a really big way. Could this be the major earthquake Californians have been expecting for some time? Will you survive?

There are several actions you can take to keep yourself safe during an earthquake. These are some recommended by the American Red Cross.

Take cover and remain calm. Think through the consequences of your actions and try to calm and reassure others.

If inside, select the nearest and safest protection. Dive under a desk, brace yourself away from windows or move to an interior hallway.

Be aware of falling plaster, bricks, light fixtures and other objects. Watch out for high bookcases, china cabinets, shelves and other furniture that might slide or topple.

If you're in an office building, don't use elevators, since the power may fail. Don't dash for exits since stairways may be broken or jammed with people.

If outdoors, avoid high buildings, walls, power poles and other objects that could fall. Avoid fallen power lines and move to an open area. Report downed power lines to authorities.

If you're in an automobile, stop in the safest place available and stay in your car. Don't stop on or under a freeway overpass or near a building that may fall. If live electrical wires fall across your car, stay put.

This Year's Theme:

“Ready To Ride It Out?”

Would you be ready to ride it out if an earthquake hit today? With some basic planning and thinking ahead, preparing your home or office for an earthquake is easy. These tips on what to do before, during and after an earthquake were developed by the California Governor's Office of Emergency Services to help you get ready to ride it out!

Before an Earthquake - Develop a family and neighborhood earthquake plan. Know the safe spots in each room -- under sturdy tables, desks or against interior walls. Learn how to shut off gas, water and electricity in case the lines are damaged. (Safety Note: do not attempt to light the gas pilot. Call the utility company.) Keep breakables, heavy objects, flammable or hazardous liquids (paints, pest sprays and cleaning products) in secured cabinets or on lower shelves.

After an Earthquake - Unless there is an immediate, life-threatening emergency, do not attempt to use the telephone. Check for gas and water leaks, broken electrical wiring or sewage lines. If there is damage, turn the utility off at the source. Immediately report gas leaks to your utility company. Check for downed power lines; warn others to stay away. Check your building for cracks and damage, including the roof, chimneys and foundation. Turn on your portable radio for instructions and news reports. For your own safety, cooperate fully with public safety officials and follow instructions. Do not use your vehicle unless there is an emergency. Keep the streets clear for emergency vehicles. Be prepared for aftershocks. Stay calm and lend a hand to others. If you evacuate, leave a message at your home telling family members and others where you can be found.

Can You Go It Alone For Three Days?

The first 72 hours after an earthquake are critical. Electricity, gas, water and telephone may not be working. In addition, public safety services such as police and fire departments will be busy handling serious crises.

You should be prepared to be self-sufficient (able to live without running water, electricity and/ or gas, telephones and assistance from safety services) for at least three days following a quake.

NOTE: If you live in Monterey County, for your own safety, you cannot ignore the earthquake risk. A major earthquake could happen today, tomorrow, or next week. For information on how you can prepare your home and yourself, call you Monterey County Office of Emergency Services at 755-5158.

Some commonly asked questions on Earthquake/Disaster Preparedness

Q. What are the chances of a major earthquake occurring in Monterey County? Earthquakes cannot yet be predicted with any degree of accuracy, but most seismologists agree that there is a strong probability of a major earthquake occurring on the Hayward Fault (Bay Area) and/or the Newport-Inglewood Fault (LA) within the next 30 years. There are numerous lesser faults in Monterey County capable of producing a moderate sized earthquake.

Q. Where can I get additional information on how to prepare for an earthquake? Call the Monterey County Office of Emergency Services, at 775-5010 or your local fire/police agency.

Q. I've heard that we have a big fault line in the county. Is that true? The San Andreas Fault runs generally along and parallel to the eastern boundary of Monterey County. With the exception

of the area around Parkfield in the southeast corner of the county, this segment of the fault is relatively dormant.

Q. My Neighbor has an AC emergency generator, and has offered it to me in the event of an emergency. How should I use it? If electrical power is lost, and depending on the rating of the emergency generator (best ways to utilize it is to unplug your refrigerator or freezer from its regular power source and connect it to the emergency generator. This will help preserve your existing supply of fresh food. Do not attempt to connect the generator to your home's power system (could result in a fire).

Q. If an earthquake occurs while my children are at school, how do I find out if they are okay? How do I get them home? If the earthquake is severe enough, electrical power and telephone

systems may be degraded or out of service. Also, the probability exists that the school will be inundated with telephone calls, so it may not be possible to reach the school. If travel is possible, it's best to go to the school; the school will release your children only to a parent, guardian, or designated alternate. If you're unable to go the school, the school staff will have implemented their emergency plans (your children will be sheltered either at the school or a designated site until they can be reunited).

Q. What should I do when an earthquake occurs? If you're inside a building, "Duck, Cover, and Hold!"

Q. I've heard that learning CPR is a good idea. Where would I get CPR training? Contact your local chapter of the American Red Cross (Monterey Chapter, 242-6800)
